

We're about to make a big difference!

From <input type="text" value="contact name"/>	<input type="text" value="date"/>
--	-----------------------------------

Our class/year group/school [delete as appropriate] is taking part in the **Sustrans Big Shift** – a free-to-access UK-wide online challenge to inspire the school community to **travel more actively**.

The five-day challenge will be setting us active journey targets to meet or exceed, based on how our pupils currently travel to school. We're aiming to make a **Small Step**, **Big Stride** or **Giant Leap**, or even become a **Top Achiever**. For more information, visit www.sustrans.org.uk/bigshift

What to do now... To take part I need you to **complete the baseline survey** (Part 1 below) on ___/___/___ [insert date] and return it to me by ___/___/___ [insert date]. I'll input the data on the Big Shift challenge site and we'll find out our targets which I'll write in Part 2.

I'll then return this form to you and on each day of the challenge please **record the number of pupils in your class** who cycle, walk and scoot/skate to school. **Return this to me** each day/every other day/at the end of the five days [delete as appropriate] so I can input the data and we'll see how we go on! **If you have any questions, please ask me!**

Part 1 How do you normally get to school?		Number of pupils in the class <input type="text"/>	
Cycle	<input type="text"/>	Walk	<input type="text"/>
Scoot/Skate	<input type="text"/>	Park and Stride/Park and Cycle	<input type="text"/>
Bus	<input type="text"/>	Train/Other Rail	<input type="text"/>
Car	<input type="text"/>	Absent	<input type="text"/>

Part 2 Our targets	Small Step <input type="text"/> %	Big Stride <input type="text"/> %	Giant Leap <input type="text"/> %	Top Achiever 75 %
